MEMORANDUM FOR: HQ, USAF
AFCIG-5

SUBJECT : [REDACTED] CHALICE Aircraft

1. [REDACTED] visited this office this date and a problem area which was mentioned concerned the [REDACTED] CHAL and [REDACTED] assigned aircraft. A recommendation was made by this headquarters approximately two months ago to the effect that IRAN on the U-2 be accomplished at North Base, Edwards AFB. Your office made the determination that the hangar to be utilized for this program was committed to another contract. In that 349, an aircraft assigned to this organization, is the first aircraft to enter the consolidated [REDACTED] schedule, the location for such [REDACTED] is requested for programming purposes. We feel certain that provisioning has been accomplished for this work, however, in accordance with [REDACTED] mission directive, he is responsible for North Base at Edwards and is, understandably so, concerned over this problem.

2. Your reply is solicited at your earliest convenience.
